

BONANZA G36

The world's ultimate single-engine aircraft.

BEECHCRAFT® BONANZA G36

The Bonanza G36 carries six people in comfort, with a cabin featuring flexible, ergonomic seating and contemporary, upscale materials in an integrated, soft-edged interior. For comfort, an air conditioning system with fully automatic climate control allows true “set-and-forget” operation, even during takeoff. In the cockpit, pilots will appreciate improved seating, a redesigned power quadrant and new control yokes. Meanwhile, Garmin® G1000 avionics address safety and maximize pilot awareness, delivering more information in a way that is intuitive and easy to understand. Primary flight information, engine performance, graphical navigation, available traffic, terrain, XM satellite weather and synthetic vision—it’s all here—even an integrated Garmin autopilot, barometric VNAV and WAAS with LPV approach.

“Set-and-forget” automatic climate control system

Redesigned cockpit cabin seats with flexible configurations that adapt to changing missions

Sculpted sidewall with integrated side ledge, arm rests and executive table

Ambiance LED interior lighting; bright and energy efficient LED exterior lighting

Silver accent finishes throughout

Large doors for effortless boarding and cargo loading

Redesigned power quadrant with integrated climate controls and hideaway cup holders

Garmin® 1000 integrated avionics suite and all-weather capability

PERFORMANCE

Max Cruise Speed (232 mph)	176 kt	326 km/h
Max Service Ceiling	18,500 ft	5,639 m
Range: Ferry	860 nm	1,593 km

ENGINES (Continental Motors IO-550-B)

Output	300 hp	224 kW
--------	--------	--------

WEIGHTS

Basic Empty Weight*	2,630 lb	1,193 kg
(Standard Equipped Aircraft)		
Useful Load	1,033 lb	469 kg

DIMENSIONS

EXTERNAL		
Wingspan	33 ft 6 in	10.21 m
Max Aircraft Length	27 ft 6 in	8.38 m
Max Tail Height	8 ft 7 in	2.62 m
INTERNAL (CABIN)		
Length	12 ft 7 in	3.84 m
Width	3 ft 6 in	1.07 m
Height	4 ft 2 in	1.27 m

*Typ. equipped, w/1 pilot @ 170 lb, unusable fuel/oil.
