REVOLUTIONARY PERFORMANCE

TEXTRON AVIATION

CITATION LONGITUDE

The Citation Longitude® – a revolution in business aviation. No super-midsize business jet gives you more range, greater payload or higher cruise speed at a lower total ownership cost.

- **The spacious cabin of the Citation Longitude, with its double-club configuration, allows for the most legroom in the super-midsize class**
- **The fully berthable seating, designed specifically for this new larger-cabin line, has leveling and panning ability, giving passengers maximum comfort**
- **The forward wet galley enhances cabin service with plenty of room for food preparation and can accommodate an espresso maker and microwave oven**
- **The large walk-in baggage compartment is accessible in flight**
- **Arrive more refreshed with the lowest cabin altitude and quietest cabin in its class**
